WARNING:

This material may be harmful if swallowed, inhaled or absorbed through the skin.

PRECAUTIONS:

Store in original container away from foodstuffs or drink containers.

Do not get into eyes or on skin. In case of eye contact, flush skin or eyes with plenty of water.

Avoid inhalation of spray mist. Wear appropriate safety equipment.

Keep children and plants away from sprayed area until dry.

Keep spray and containers out of waterways.

Rinse clothing if contact occurs and after spraying.

FIRST AID:

If swallowed do NOT induce vomiting.

For advice contact a doctor or the National Poisons Centre 0800 764 766 immediately.

If skin or hair contact occurs, remove contaminated clothing and flush skin and eyes with running water.

If splashed in eyes, wash out immediately with water.

GENERAL INSTRUCTIONS:

AGPRO Moss & Mould Killer is formulated for use around the house, farm and industrial buildings to kill and control the growth of lichen, moss, mould & algae. It is suitable for all surfaces including concrete, wood, metal, plastics and cloth. Suitable for painted and bare surfaces. Staining may occur on some surfaces, so always test a small area first. AGPRO Moss & Mould Killer has a long lasting effect on porous surfaces. Simply spray it on and let time do the rest. It will keep working for up to 12 months.

In addition AGPRO Moss & Mould Killer can be washed off after a few days and the residual benefits remain. AGPRO Moss & Mould Killer is safe to use around plants and pets, but avoid spraying plants directly and keep pets away until product has dried.

DIRECTIONS FOR USE:

Dilution Rate : 1 part AGPRO Moss and Mould Killer to 5 parts water. ie Add 1 litre AGPRO Moss & Mould Killer to 5 litres of water.

You can strengthen or weaken dilution dependent on contamination.

Apply to a dry surface. Spray in situations that will allow maximum penetration into the surface being sprayed. Ideally no rain for 12 hours but a minimum of 5 hours. Apply early or late in the day or in overcast conditions to avoid rapid evaporation.

CONTAINER DISPOSAL:

Triple rinse container and burning an appropriate incinerator, if circumstances such as wind direction permit. Otherwise crush or puncture and bury in a suitable landfill, or if appropriate recycle.

CONDITIONS OF SALE:

The use of AGPRO Moss & Mould Killer being beyond the control of the manufacturer, no warranty expressed or implied, beyond that covered under the Fair Trading Act is given by AGPRO NZ Ltd regarding its suitability, fitness or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not and AGPRO NZ LTD accepts no responsibility for any consequence whatsoever resulting from the use of this product.
